

RGBJOY

Hello, I'm Tom, a web developer and designer based in Vero Beach, FL. With a deep passion for all things technology, I specialize in interactive experiences for the web and brand design.

When I'm not glued to my computer screen, I enjoy spending time with my family catching waves or seeking life advice from ChatGPT.

Tom Fletcher	Multidisciplinary digital creator & web engineer	tom@rgbjoy.com www.rgbjoy.com +1 718 877 6858
Education	Full Sail University Orlando, FL	BS in Digital Arts & Design 2003 - 2007
Experience	10-2018 - Present The New Republic	Web Engineer Worked closely with editorial and product teams to help build frontend (React) and backend(GraphQL, Sequelize) components, print-to-web features, animation, and video editing. Helped migrate old codebase to the latest redesign.
	10.2010 - 05-2016 Code and Theory	Senior Designer & Developer Created designs and built various flash experiences for DPSG brands (Dr Pepper, Motts, etc.). Games, banners, and websites made on demanding deadlines.
	05.2008 - 05.2010 Mammoth Advertising	Production Designer/Developer Helped build and design flash web experiences for the film industry.
